## EDUCATION

### B.Tech, Computer Science Engineering

AKTU | ABES Engineering College, Ghaziabad

CGPA : 8.38 | Nov 2022 – July 2026

### XII, CBSE

Delhi Public School, Ghaziabad

90.8% | Apr 2020 - Mar 2021

### X, CBSE

Delhi Public School, Ghaziabad

92% | Apr 2018 - Mar 2019

## TECHNICAL PROJECTS

🔗 [Portfolio](#) • *Next.js, React, Node.js, Tailwind CSS, Aceternity UI, Typescript*

Jan 2025 – Mar 2025

- Interactive showcase of projects, skills, and experience.
- Fully responsive design for seamless browsing on any device.
- Modern UI with smooth animations and transitions.
- Dark mode support for enhanced accessibility.

🔗 [HotelHive](#) • *Express.js, React, Node.js, Unsplash API, EJS*

Oct 2024 – Dec 2024

- Real-time room reservations with instant confirmation.
- Fully responsive interface for easy booking on any device.
- Simple management of hotels—add, edit, or remove entries effortlessly.
- Conveniently update room availability, pricing, and details.

🔗 [Tripsync](#) • *Express.js, React, Node.js, Gemini-API, Unsplash-API, Maps-API*

Jan 2024 - Apr 2024

- Automatically creates optimized travel plans based on user preferences.
- Integrates with services for flight, hotel, and activity bookings.
- Allows users to modify and personalize their travel plans.
- Finds and provides precise locations for attractions, hotels, and restaurants.

## TECHNICAL SKILLS

- Languages:** C/C++, Java, Python.
- Web Development:** HTML, CSS, JavaScript, Bootstrap, React.js, Next.js, EJS
- UI/UX:** Aceternity UI, Material UI, Tailwind CSS
- Platform/IDE:** VS Code, IntelliJ, Eclipse, CodeBlocks
- Backend & Databases:** Node.js, Express.js, SQL, MySQL, PostgreSQL, MongoDB
- Version Control & Collaboration:** Git, GitHub.
- Software Development Concepts:** Data Structures & Algorithms, Object-Oriented Programming (OOP), RESTful APIs.

## ACHIEVEMENTS

- Solved over 500+ questions on platforms such as CodeChef, LeetCode and GeeksForGeeks, HackerRank.
- Achieved the NPTEL Elite Certification in Data Science for Engineers from IIT Madras, demonstrating strong proficiency in data science concepts with a 71% score.
- Achieved a 5-star rating in Problem Solving on HackerRank, demonstrating exceptional algorithmic and coding proficiency.
